

2006 Community/Corporate Sponsorship Opportunities

The Governor's Volunteer Service Awards seek to recognize youth, adults, businesses, National Service members and service-learning practitioners that have made a significant contribution to their communities through service. Categories for the awards include: Youth, Youth Group, Adult, Adult Group, Small Business, Large Business, National Service and Learn and Serve. As the "highest volunteer award in the state," the Awards will honor volunteer efforts that have strengthened communities and have improved the quality of life for Arizona citizens.

Through your sponsorship you will help build a statewide ethic of service and volunteerism by recognizing Arizona's top volunteers. As a sponsor, you will also have the opportunity to network with influential community and business leaders at the Governor's Volunteer Service Awards Reception. The Governor's Commission on Service and Volunteerism will hold an annual Awards Reception to honor the recipients. During this reception, each recipient will be publicly honored for their dedication to service and will receive an award from Governor Janet Napolitano. The Reception will be held during National Volunteer Week in April 2007.
